

SURVEY FOR THE DEVELOPMENT OF A GREEN FINANCIAL PRODUCT

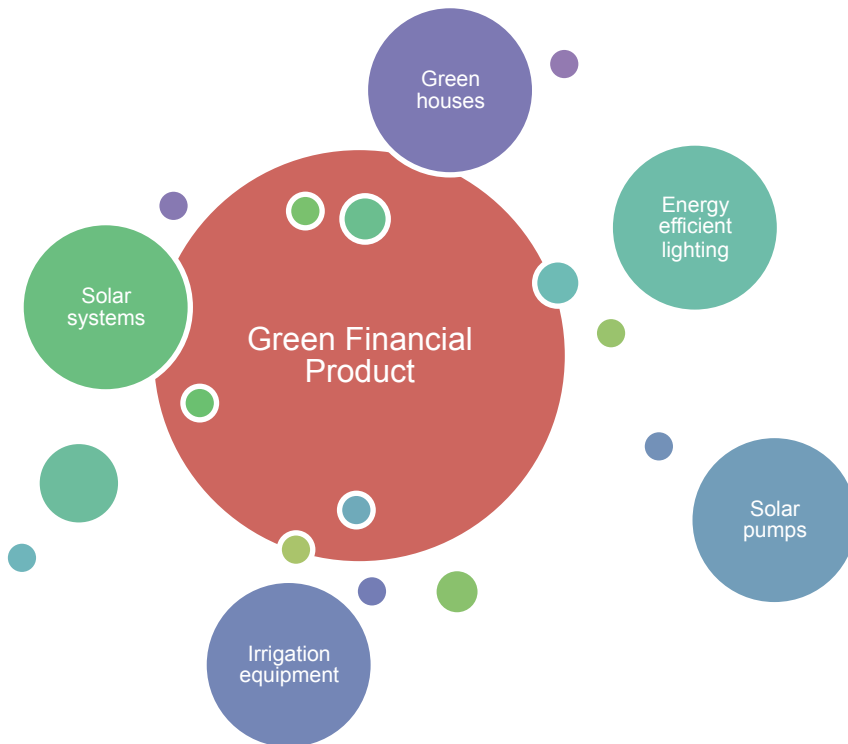

Dear Survey Participant !

The National Development Foundation of Dominica (NDFD) is receiving technical support from Global Affairs Canada in cooperation with the Inter-American Development Bank to develop a new financing product for its loan offering.

In order to design financial products that are relevant we seek your support through sharing your valuable insights by means of the attached survey.

Your answers will serve to inform us about the current market realities and the demand for additional financial products to serve our present and future Clients.

The Green Financing Product will center around specific technologies that are suitable to foster our clients' efficiency and climate resilience.

We will provide your information confidential use it in an anonymized manner. If you prefer not to provide your contact information please feel free to do so. We only need it in case of queries.

If you have any questions regarding the survey please contact Mr. Cletus Joseph, or Ms. Shara Walsh from NDFD. Phone: 275 5251 or 275 2767

We appreciate your contribution!
